

**New Clinic Options for Kelsey Select Plan Members
Platinum Plan 713-900-4450/1-888-499-7310**

In addition to the HISD onsite clinics at Hattie Mae White and Attucks Middle School and the 16 Next Level nearsite clinics, HISD is pleased to announce a new partnership with Platinum Physicians, P.A. to provide additional clinic options for Kelsey Select Plan members.

Kelsey Select Plan members, including covered dependents can use the clinics listed below at no cost for covered services. See additional information below.

Nearsite Health Clinics are providers of discount medical services for employees and dependents enrolled in the Kelsey-Select medical plan. The program allows employees and their covered dependents enrolled in the Kelsey-Select medical plan to visit any of 12 contracted health clinics at a cost of **\$0.00** per office visit. Participating employees and their eligible dependents will receive a basic office visit for \$0.00 copay and a \$0.00 flat fee for each covered laboratory service.

Services include the following:

- Professional assessment of individual biometric values (blood pressure, cholesterol, body mass index, blood glucose/blood sugar, etc.) and an explanation of results, as well as goal-setting tips and ideas from a nurse or wellness coach and referrals to available resources.
- Primary care – allergies, infections, cold, flu, cuts, bruises, strains, and sprains
- Urgent care – upper respiratory conditions, bronchitis, urinary tract infections, viral illnesses, and minor trauma
- Preventive care – annual wellness physicals, smoking cessation education, diabetes screening and education, blood pressure, and cholesterol screenings
- Interim care for members with chronic conditions, including arthritis, asthma, COPD, diabetes, high blood pressure, high cholesterol, gastritis, migraines, and weight management
- Vaccinations – COVID-19, flu shots, tetanus, and hepatitis A/B
- Voluntary family planning services, well-child services, prenatal services, translation services, case management services, gynecological care and health information, screening for cancer, and communicable diseases
- Information assistance in applying for local, state, and federal benefits to which employees might be entitled

Members may call 713-900-4450/1-888-499-7310 to schedule an appointment or email info@nearsitehealthclinics.com with any questions. For more information, see HISDBenefits.org/PlatinumPlan.
