

Camp Med 2021

At Camp Med, students explore exciting topics in health and medicine through engaging BCM STEM activities, make new friends, get introduced to organizational skills and get to know the Baylor College of Medicine Academy at James D. Ryan (BCMAR) teachers and expectations. Camp Med is a bridge camp for students who will be attending BCMAR. Camp Med is online/virtual this year.

June 16 (Wednesday)– 30 (Thursday)
Mondays—Thursdays (no camp on Fridays)

Camp Time: 8:30 AM - 11:45 AM

Supply Pickup: June 5th, 12:45 - 2:15 pm
Parent Showcase: June 30th, 10:30 AM - 11:45 AM

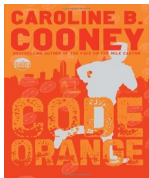

Health Science— "Be a Microbiologist"

Students will conduct multiple experiments allowing them greater insight into the world of Microbiology.

Science & Math— "Be a Medical First Responder in Operation Rescue"

Students will utilize Google Earth and Math to create rescue plans for typhoon victims.

English Language Arts— "Be a Science Writer and Artist "

Students will read and do creative activities around *Code Orange*, a novel about teenager who stumbled on a disease while treasure hunting in an attic.
