

Camp Med 2022

At Camp Med, students explore exciting topics in health and medicine through engaging BCM STEM activities, make new friends, get introduced to organizational skills and get to know the Baylor College of Medicine Academy at James D. Ryan (BCMAR) teachers and expectations. Camp Med is a bridge camp for students who will be attending BCMAR.

June 13th (Monday)- 23rd (Thursday)
Mondays—Thursdays (no camp on Fridays)

Camp Time: 8:15 AM - 11:45 AM

Parent Showcase: June 23rd, 10:30 AM - 11:45 AM

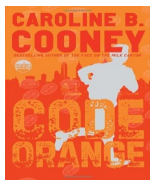

Health Science— "Be a Microbiologist"

Students will conduct multiple experiments allowing them greater insight into the world of Microbiology.

Science & Math— "Be a Medical First Responder in Operation Rescue"

Students will utilize Google Earth and Math to create rescue plans for typhoon victims.

English Language Arts— "Be a Science Writer and Artist "

Students will read and do creative activities around *Code Orange*, a novel about teenager who stumbled on a disease while treasure hunting in an attic.
