

What is a School Parent Compact?

It's an agreement for administrators, parents, students, and teachers to work together to serve all of our students at home and in the classroom. It includes matters of their academic achievement and the school's responsibility to provide a high-quality curriculum and a supportive and effective learning environment.

How was it jointly developed?

Student, parent, and teacher input was solicited through anchor charts, Google forms, Facebook questionnaires, surveys, PTO President and Vice-President meetings, and interviews.

MIMS 2018-2019 Goals

1. Increase student attendance to 98%.
2. Promote student safety.
3. Increase academic rigor by 5%.
4. Raise STAAR Reading and Math Progress Measures by 5%.
