Band Students and Parents:

WELCOME to one of the most exciting experiences in which you can be a part – THE BAND! Now, more than ever, we have information to justify why we do this demanding, yet rewarding activity. Experts have concluded that the study of music helps with spatial reasoning, test taking, and overall quality of life! Factor in social skills, emotional development, leadership training, group interaction, aesthetic perception, music making, and the discipline of being in a band program, and I don't know why anyone would not want to be involved in a successful band program like the one here at Waltrip High School! The ultimate goal is a lifelong understanding and appreciation for quality music and music making!

EVERYONE SHOULD READ THE INFORMATION IN THE HANDBOOK, even veterans. Some of the information has changed, so make sure you're informed. For new folks, this is the "band bible" that keeps us running smoothly and efficiently. Most questions can be answered by consulting THE HANDBOOK and policies will be adjusted from year to year as the need arises to clarify issues within the program. It is my hope that the information contained in this handbook will be both INFORMATION and INSPIRATION! The advocacy articles, "What Is A Band Parent," and "How Parents Can Help," are both designed to give guidance to parents; read them carefully and with insight! Students need to know that we think that what they do is important. You will quickly find that band is truly a FAMILY in and of itself.

The 2017-2018 school year was full of successes by our students. In all areas of the program, we saw growth and indications that things are only going to continue to prosper. As of this writing, we are looking ahead to some wonderful opportunities for the coming year.

I am excited about the student leadership team we have in place continuing the great tradition started many years ago by our Director Emeritus, Mr. Charlie Stephens. Our seniors are ready to leave their legacy for the future student band members and of course, we are all eager to get started with the 2018-2019 school year. In addition, we are welcoming two brand new assistant band directors, Mr. Erik Leon and Mr. Daniel Ferreira. We are excited about them joining our Ram Band family!

This handbook is designed to answer any questions you might have concerning the program. Please read all of the information and sign the perforated form in the back of the book. I am honored to be your band director and am looking forward to an outstanding year!!

Sincerely,

Jesse D. Espinosa

**STUDENT HANDBOOK
2018 – 2019**

A STATEMENT OF POLICY

In order to assist band members and parents in understanding areas of responsibility, a statement of band policy is herein set forth. Becoming familiar with this policy will enable each individual to make the most of this great opportunity to be a member of the Waltrip High School band program, becoming a better person and a better musician.

We firmly believe that the student should improve through regular practice. In the Waltrip High School band program, we feel that when the student has lost the will to improve him / herself or make a better contribution to the band, he is wasting the time and efforts of his / her fellow members and the community by continuing in this program. The HAPPIEST student is the one who is improving through regular habits of practice and daily progress. He / she must not only know right from wrong, but must be able to stand for principles. He / she must develop a high sense of purpose toward which he / she is willing to work. RESPONSIBILITY is the focus behind any level of achievement within this program. We intend to conduct ourselves in a manner that will facilitate all students in learning and bettering themselves.

OBJECTIVES OF THE BAND PROGRAM

- To teach music by its actual performance
- To develop performance skills of the various wind and percussion instruments
- To provide for the musical needs of the school and the community
- To develop discrimination with the regards to the selection of music
- To acquaint the students with Music Theory / History and how history and musical composition relate to students' current life and musical experiences
- To provide all students with the opportunity for worthy use of their time, a means for self-expression, and a healthy social experience
- To develop the ability to function as a responsible member of a group, enhance interaction, and develop Esprit de Corps
- To foster leadership skills within each student

“The study of music is an important part of a complete education. It engages students in individual and group activity, develops creativity, problem solving, and critical and evaluative skills. Music education helps students acquire talent in the production and performance of music, as well as an understanding of history and culture.” – George W. Bush, former President of the United States.

WHY MUSIC? WHY BAND? *(excerpt from Dr. Tim Lautzenheiser)*

(FROM THE NON-MUSICIAN POINT OF VIEW) Who should study music? Who should be in band?

Music is a place for everyone. Our traditional music programs have inadvertently promoted a false concept of "music is for the musically talented students." This elitist view has found its way to more people than we might expect. The study of music actually breaks down societal barriers from race to socioeconomic strata. Music often "reaches" the students who are struggling with their other academic studies. Advanced brain research continues to verify and confirm all brains are "wired for music." Eric Jensen, research author on brain-based learning, writes,

"Music is part of our biological heritage and is hard-wired into our genes as a survival strategy." (Jensen, E. 2001, *Arts with the Brain in Mind*, p.15.)

Do parents, administrators, community leaders, and teachers of other disciplines understand (even know) this information? Are we (as music educators) sharing this extraordinary news with our educational partners? Music is NOT for the "chosen few," but music is for all those who want to pursue this exciting pathway of learning, and shouldn't that be everyone?

Why the study of music if my child isn't going to be a musician?

So many parents (at the point of registering a student for beginning band) do not understand the extended value of learning music. There's far more to this than investing in an instrument, scheduling lessons, driving to-and-from rehearsals, and/or attending concerts. The discipline of music making is transferable to every learning situation in and outside the academic community. We have pointed to music students as "the smartest and most responsible students in the school." We now understand it is really the study of music that puts them in this favorable posture alongside their non-musical counterparts. We must be cautious not to suggest "music makes you smarter," but we certainly can point to the overall accomplishments of the students of music and find a similar high level of achievement in both academic and non-academic arenas; this is NOT an accident or a coincidence. Arguably no other discipline in school can better prepare the mind and spirit for the challenges of, medical study, law school, classes in engineering, education/teaching, business college, etc. Ultimately, don't we want MUSIC to be a part of every person's life? From singing in the church choir to playing in the community band, music should not be relegated to the school environment, but music becomes our trusted friend-of-expression forever.

Framing the message for the welfare of the child.

What is the most important priority for all parents? THE FUTURE HAPPINESS OF THEIR CHILD! Mothers and fathers around the world dedicate their lives to creating an even better life for their children. In a highly competitive society they want to see their sons and daughters have every possible advantage in their educational climate, their chosen profession, and their selected community-of-living where, once again, the cycle will repeat itself with-and-for the next generation. The complexity of society's evolutionary standards (some favorable, some not) puts responsible parents "on alert" 24/7. What is the best use of their child's time and energy, both in the classroom and outside the classroom? Might I suggest the study of music is a cultural imperative fulfilling all the wants, needs, and wishes of every caring-sharing parent.

Instead of being overly cautious about emphasizing the "off the podium" benefits of music learning and music making, we might consider SHOUTING this news to every accountable parent, and to every administrator who seeks a better school environment, and to every student who wants to enjoy a life of happiness and success. This is not to replace or overshadow "music for the sake of music," but to reach out to all students so they can avail themselves to the rewards of MUSIC. We know we have the most convincing recruitment information available to bring them to our rehearsal rooms: MUSIC CREATES SUCCESSFUL PEOPLE. The "learned outcome" of music study is a certain success blueprint. What parent could say NO once he/she understands the immeasurable value of music study?

WHY MUSIC? WHY BAND? It might be more appropriate to ask: WHY NOT MUSIC? WHY NOT BAND? It is evident music education should be experienced by every student. We, as a culture, will be best served if the hearts and minds of our youth are filled with the knowledge and the understanding of MUSIC. The time has come, the time is now: **STRIKE UP THE BAND! MUSIC MAKES THE DIFFERENCE!!**

BAND CURRICULUM IN BRIEF

Wind Ensemble

The Symphonic Band is the primary performing organization in the instrumental music department during the winter and spring. Membership is by audition and/or placement at the discretion of the band director. The Symphonic Band will be comprised of students with the performing ability necessary to play Grade V literature or higher.

Concert/Symphonic Band

The Concert/Symphonic Band is comprised of students with the performing ability necessary to perform Grade I/II/III music. Membership is by audition only and/or placement at the discretion of the band director.

Marching Band

Membership in the marching band requires strenuous physical exercise and the ability to play the difficult literature encountered in the activity. All students enrolled in the band program are required to march, which includes students who are eligible to audition for the color guard. The marching band performs mostly in the fall with a parade or two scheduled during the spring semester.

Jazz Band

Students may elect to audition for Jazz band. The premier group in the jazz program is Jazz Ensemble #1. This group is comprised of students auditioned by the band director. The other jazz groups are strictly on a volunteer-basis and rehearse only after school. The jazz band plays for community events and performs throughout the year.

Colorguard

Students who are interested in dance, choreography, and movement may choose to audition for our marching auxiliary unit. The Guard is an extension of the band program and requires all members to learn a musical instrument. Auditions are usually held in April.

Leadership Camp

The leadership camp prepares students to become effective leaders within the band program and beyond. This camp is usually held during the month of June at Texas A&M University – Commerce. This camp is required of all students that gain a leadership position in the band.

Private Lessons

As one might expect, private lessons on a musical instrument are the best way to improve performance skills. The one-on-one approach allows the student to benefit from the individual attention as opposed to a teacher monitoring a class of over fifty. A recent survey of students in the All-State Band revealed that approximately 80 % of the students in the band studied privately. Students are generally more inclined to practice diligently for a weekly music assignment and this discipline increases the student's enjoyment with their instrument. The Waltrip High School Band Director will be more than happy to assist in the selection of a private teacher.

All-State, Region, and All-City Band

Members of the band program are eligible to audition for the Texas All-State and (Region or District) Bands. Regional auditions are held in December with Area auditions held later in January. The Region Band clinic is held at *Morton Ranch HS (Katy ISD)* and the All-State Clinic at TMEA in San Antonio, TX. The All-City Band auditions are held in November at Heights HS. The All-City Band clinic is held at Waltrip HS in January.

MAKE – UP FOR UNEXCUSED ABSENCES

Students will make-up unexcused absences by doing one hour of supervised practice per absence to be scheduled with the band director.

TARDIES TO MARCHING BAND

Students will serve the amount of time of their tardiness at the conclusion of rehearsal.

SITTING THIRD QUARTER

During marching season, students will sit during third quarter of football games for the following reasons:

- Failure to Pass-off Music by the allotted deadline
- More than one Unexcused Rehearsal or Tardy per week
- Any Infraction of Disrespect

THE DIRECTOR IS RESPONSIBLE FOR THE INTERPRETATION AND ENFORCEMENT OF THE MERIT AND DEMERIT SYSTEM AND MAY HOLD A STUDENT OUT OF A PERFORMANCE.

ATTENDANCE POLICY

THE ONLY EXCUSABLE ABSENCES ARE PRE-ARRANGED* SCHOOL CONFLICTS AND THOSE THAT WOULD BE EXCUSED BY THE SCHOOL FOR REGULAR ATTENDANCE RECORDS, I.E. ILLNESS, DEATH IN THE FAMILY, RELIGIOUS HOLIDAY.

*Individual needs will be addressed as they occur. This system is subject to modification by the director.

NO SHOWS! The student will have 40 demerits and a lowering of one letter grade on his / her report card.

For ALL absences, the following procedure must be followed by the student and parent:

- Director must be notified in advance.
- An absentee request form must be filled out and on file.
- For illness, a parent note or doctor's excuse must be submitted.
- Although cleared by the school office, absences from a band activity that same day must be cleared with the director as well – please call the band room.
- In extreme cases, a phone message may be left on the band answering machine, with a follow-up personal call or email (preferred).
- Follow-up is the sole responsibility of the student!

The mere filing of an absentee request form does not constitute whether an absence is excused. The above policy is cut and dry in regards to what is excused.

CONFLICTS WITH BAND

Conflicts between band and other activities or events are the responsibility of the student. Rehearsal and performance schedules are given out in advance (via website) so that arrangements can be made. Students should not become involved with activities that may directly conflict with band activities. When outside activities create hardships concerning band, unless it is a rare and unusual situation that may only happen once, the student will need to consult with the director about alternatives that may be possible. Students should have a **calendar** book and be aware of all band dates well ahead of schedule. It is the policy of the band to assist students when conflicts occur within the scope of the band policy. Students are reminded that band is a very demanding activity and that involvement in outside activities should be limited to those that are compatible with the band schedule. All conflicts in regards to **performances** must be worked out in favor of the student's responsibility to band. Work is not an excuse for missing any band activity.

GRADING POLICY

Grades are assigned for the band class and performances, which are co-curricular.

Class participation:	40%	This includes after school rehearsals which are on the schedule. Students must have their instruments every day, a pencil at every rehearsal, and show maximum effort to earn the best grade.
Auditions, Performances, Sectionals, Festival Attendance, Rubrics, Self-Assessments	60%	It is the student's responsibility to turn in all assignments, prepare for auditions, and make all scheduled events.

DUTIES OF THE BAND MEMBER

- Be on time to all rehearsals and performances. **EARLY IS ON TIME – ON TIME IS LATE.**
- Upon entering the rehearsal setting, acquire your instrument and go directly to your seat.
- When the director or staff member steps on the podium or asks for your attention, all talking should cease.
- Come to rehearsal with a **GOOD ATTITUDE.**
- There is no excess playing (i.e. horsing around on the instrument); only good solid material.
- Make a real effort to improve on a daily basis and establish a good practice routine.
- At the end of rehearsal, put all materials in their proper place.
- Maintain a strong academic standing in all course work.
- Become responsible for and assume responsibility for your own actions. Admit when you are wrong.
- Have a proper respect for yourself and those in authority.
 - Read and play music with insight – have musical expectations.

THE IMPORTANCE OF ATTITUDE

The greatest single factor that will determine the success of any individual or organization is **attitude**. The kind of person that you are is an individual choice and how we feel about something, which involves attitude, is one of the few actual independent choices that we have in life. It takes intense dedication to reach goals. Students should learn to discipline themselves to daily practice on fundamentals. The “right attitude” must be present along with sincerity, concentration, and dedication as the basic foundation. Such an attitude makes an artistic performance inevitable and is the difference between a winning organization and a mediocre group. The band can do much for you. Make the most of it in every rehearsal and performance.

THE IMPORTANCE OF DISCIPLINE

Because of the nature of the organization, band discipline must be strict! Band students and parents must believe in the ideals, principles, and philosophy of the organization. Each member must always be aware of good behavior and think for himself. Any misconduct casts a bad light on the school, community, and band program. Any member who casts discredit to the organization by his/her conduct or actions in band, in another class, or on a trip, shall be subject to dismissal from the band program or may lose a privilege within the program. This may include the chance to go on a spring trip. This decision will be at the director's discretion.

PARENTS' RESPONSIBILITY TO THE BAND

It is the responsibility of every parent and guardian to see that the policies outlined in the HANDBOOK are followed and that the form at the end is signed and returned. This states that you UNDERSTAND the policies as set within, and that any questions are to be directed to the band director by making an appointment. Each parent IS responsible for the attendance of his/her child at all band functions. It is the responsibility of each parent to see that their child practices his / her instrument daily. The hands of the directors are tied without the help of parents.

HOW PARENTS CAN HELP

When a "band question" arises, it is important that you get factual information before discussing it with others. We do more harm to ourselves, the band family, when we talk about things that contain one or more "falsehoods" but consider them facts. If questions arise, it is important to remember this axiom: If it is a performance issue or anything dealing with the band proper, contact Mr. Espinosa, Mr. Ferreira or Mr. Leon. If it is a fundraising question or anything dealing with parent issues, talk with the booster club president. Please realize the band needs all directors, students and parents to work together to be successful. Remember "it takes a village to raise a child".

- Show an interest in the music study of your child.
- Arrange a regular time for your child to practice.
- Find a quiet place where he/she can practice without interruption.
- Listen to performances of practice material, when asked to do so.
- Help the student keep a DAILY RECORD of practicing.
- Please arrange to pick up your student from rehearsals and performances in a timely manner.
- Keep the instrument in good repair and keep at least three reeds in the case; get a metronome!
- Be extra-careful with school-owned instruments. Repair costs are high!
- Teach your child to be prepared and on time to each rehearsal or lesson.
- Provide private instruction!
- Make faithful attendance at all band activities important.
- Buy your child a personal planner for marking important dates.
- Keep the Handbook in a safe place and refer to it often.
- Notify the teacher if the student is to be absent for rehearsals or lessons.
- Double-check behind the student to make sure that they have their instrument.
- If student is absent, make sure that their folder gets to school, if they share it with someone.
- Visit rehearsals occasionally.
- Attend booster meetings, concerts, games, and contests.
- Turn in fundraising money on time.

STUDENTS' RESPONSIBILITY TO THE BAND

As members of this organization, you have a great deal of responsibility. It is essential to any program that if certain expectations are to be met that they coordinate with the privileges, rewards, and duties of the band program.

TO OURSELVES

YOU have the primary responsibility of developing your own abilities. The benefits of a good instrument and private instruction can never be underestimated. What you put into it is what you will get out of it. The director is ALWAYS available for your guidance and encouragement – just ask!

TO THE SCHOOL

Waltrip High School provides us with some resources for rehearsals, performances, and equipment. The Band Booster Club also provides a support network, both financially and philosophically. WE have the responsibility to provide the best possible services to our community.

TO MUSIC

Music has always been a part of our culture. We must take what we have and use it for the betterment of that culture. No one expects virtuoso musicians, only your very best! The great composer Gustav Mahler once said that only 10% of a piece of music is on the page. If that is the case, then we as musicians have the duty of creating and producing the other 90%. The joy of music is not in everything that is apparent. It must be discovered and created.

TO EACH OTHER

We must always do what is best for the WELFARE of the group. There can be no selfish acts solely for the benefit of the individual, but for all. Respect each other. If there are conflicts, find a way to resolve them. Never insult another band member's integrity. The word "band" means that we are banded together and that there is no separation.

BAND PHILOSOPHY

BE COACHABLE

Each band student must keep an open-mind to learning. Allow yourself to be taught the many traditions, fundamentals and ideals our program has to offer. We want you to be the very best you can be. All of us must start as humble followers before we can lead.

THE BAND IS BIGGER THAN YOU

Everyone associated with the band must understand the band's needs are much bigger than the individual. The band director leads this group with that very idea in mind at all times. No one person, student, or parent should try to undermine the group for their individual benefit. The Ram Band has a long tradition of excellence that has been around for a long time, so we must all believe that the band was good before us and will continue to be good when we are gone. Make the best of your time by giving your very best to continue this long winning tradition.

BE A SELF-STARTER

Each band student should learn to take initiative. Don't always wait for someone to tell you what to do before you decide to do it. Your character as a person is determined by what you do not only when people are watching, but also more importantly when NO ONE is WATCHING.

The operational budget for the Waltrip Ram Band and Color Guard is generally between \$90,000 - \$100,000 per year.

MARCHING SEASON

The rental fee for marching uniforms and concert uniforms is \$25.00. DRY CLEANING FOR THE UNIFORM NEEDS TO BE TAKEN CARE OF BY THE INDIVIDUAL. The initial cleaning is taken care by the band. Marching hats must be maintained by the student. All lost or damaged equipment will be replaced or repaired by the student at the discretion of the Director. INSTRUMENT RENTALS

The rental fee for instruments provided by the school is \$45 per wind instrument/percussion instrument per year. The student/parent is responsible for maintenance and upkeep of the equipment during the school year.

INSTRUMENTS PROVIDED BY THE SCHOOL ARE INSURED BY THE DISTRICT WHEN IN USE BY A STUDENT ON CAMPUS OR AT A SCHOOL SPONSORED ACTIVITY.

It is recommended that families who use instruments provided by the school either purchase instrument insurance or attach the instrument's serial number to your homeowner's policy. The student/parent is responsible for any deductible fees on insurance claims. This will protect any liability that the student and family may have in case of loss or damage of the equipment. Please contact the Directors immediately for replacement value of your student's instrument. This would be a wise step for everyone who owns his/her instrument as well.

EQUIPMENT

A quality program requires quality musical instruments. By the time a student is a sophomore at Waltrip, he/she will be expected to be using what is considered a semi-professional or a professional quality instrument. In most cases, these instruments will have been purchased during the eighth or ninth grade years.

A list of acceptable instruments is available in the Band Office. If a purchase is needed, the staff will be most happy to consult with the student and his/her parents in order to avoid an inappropriate purchase and to assist in obtaining the best possible price for the instrument.

OPTIONAL EXPENSES

MARCHING BAND

Summer Band Camp

Held beginning August 1st, summer band is MANDATORY for all new and veteran members. Summer Band “camp” week runs from 8AM – 4PM. Camp is taught by the Ram Band directors, camp staff, and student leadership. Camp is required of all students in the band. Approximately “seven weeks” of normal rehearsal time is crammed into the week, so attendance is a must. Parent volunteers are welcome to attend to help out with whatever needs may arise.

PRACTICE

Students are expected to attend all rehearsals and performances. If there is a situation that will prevent this, an excuse form must be requested and filled out BEFORE HAND. After- school rehearsals will be every day, 4:15PM – 5:45PM. If a student is absent from school on the day of an after-school rehearsal, this does not automatically excuse the student for that afternoon. Someone must contact a band director at the band office, 713-688-1361 ext. 015298. Do not leave a message with a student. You may email as well.

ALTERNATES

One of the most important members of the marching band is the alternate. Due to absences of others and the inability of some to work at their part, it is necessary to “fill in” these spots with alternates. Alternate members must be enthusiastic and willing to learn new material at a rapid pace. Alternates are critical to our success!!! The chances of an alternate working his/her way into a spot are very good if that alternate participates, works hard, learns the music, and does it with a good attitude. The following policy will be used:

The marching routine will be written for a set number of positions. Two members will learn the same spot and will rotate. Spot assignments will be assigned by the director based on attendance, preparation, attitude, behavior and music pass-offs.

UNIFORMS

The band will provide the following in regards to the uniform:

Hat and plume

Trousers

Coat and accessories

Please make sure that the trousers are hemmed so that the bottom of the trouser legs touch the top of the dress band shoes with a slight break in the crease. PLEASE DO NOT CUT ANY MATERIAL!!!!

The student will provide the following:

Khaki Pants, Khaki Shorts, Blue Jeans and black belt

Black socks

Black Mesh Shorts

THE UNIFORM IS TO BE WORN PROPERLY AT ALL TIMES!

INSPECTION

Prior to a few performances of the band, all band members will stand inspection. Any member that does not pass the inspection will not participate in the given performance. Band members will be checked for the following:

- Cleaned, pressed uniforms
- Correct hems on trousers
- Cleaned, polished shoes
- Hair correctly worn-all hair will be up off of the collar at all performances
- **NO Jewelry, NO Make-up, NO Piercings, NO Un-Natural Hair Colors**
- Clean, lubricated instruments

Do not get your ears pierced during marching band season!

The Waltrip Ram Band performs at all Waltrip HS Varsity Football games. The Band will perform stand music during the game and performs their contest marching show during halftime. The band provides entertainment, spirit and pride to each of the games. These performances are important because they allow the band an opportunity to perform in front of a live audience in preparation for our marching contests.

COMPETITIONS

Competitions are special events where we get to perform for a sophisticated audience and very competent judges. WE ARE THERE TO DO OUR BEST – NOT TO WIN!! If we do our best, then everything will take care of itself. Specific information is given prior to competitions as to directions, departure and anticipated return time. All parents are encouraged to attend competitions and support the band. Students may use the band phone to call following a trip. Parents, PLEASE COME IMMEDIATELY when called.

MATERIALS GRADE

Each student should have the following items in class everyday:

- a sharpened pencil
- your instrument (sticks, mallets)
- your music and folder
- at least three reeds (clarinets and saxophones) and water bottles (trombones)
- at least two reeds (oboes and bassoons) and water canisters for soaking.

From time to time during the school year you will receive a materials grade. If you have all the items listed above, you will receive a daily grade of "A." Your grade will be lowered one letter for each item you are missing, but students will be given two days to bring in any missing items. The easiest way to avoid this is to have everything that you need, at all times! After the second day, the letter grade may be lowered.

SCHOLARSHIPS

There are a wide variety of scholarships available for both music majors and non-music majors on the collegiate level. Many universities grant partial scholarships or a one-time scholarship to students who simply agree to play in an ensemble, and some will waive out-of-state tuition. Information varies at each school. Ask in the band office and we will do all that we can to help in your future endeavors.

LOST MUSIC

Each student will be assessed a \$1 fee for missing or torn music. See librarians or the director for any problems concerning music.

PRACTICE

As with any activity, you get out of it what you put into it. Band will not be “FUN” unless you practice! There are many values in the study of music as a discipline that transfer to other areas of life. Although this will not immediately happen, persistent practice will lead to enthusiastic, driven practice. Remember: “Practice makes Permanent!” Here is a suggested plan of study:

BAND POLICY AGREEMENT WALTRIP H.S. RAM BAND

STATEMENT OF BAND POLICY

In order to help band students and parents understand their area of responsibility, a statement of Band Policy is herein set forth. Becoming familiar with this policy will help each band member make the most of this fine opportunity to become a better person through this association with music.

1. The Instrumental Music Department firmly believes that the student should improve through daily progress.
2. The Instrumental Music Department feels that when the student has lost the will to improve himself/herself in order to make a better contribution to his/her fellow man, he/she is perhaps wasting the time of the school, his/her fellow students and the community by continuing in this program.
3. The Instrumental Music Department is firmly convinced that the happiest child is one that is improving through regular habits of practice and daily progress. He/She must not only know Right from Wrong, but must be able to stand for his/her principles. He/She must develop a high sense of purpose toward which he is willing to work.
4. The Instrumental Music Department intends to conduct the program in a manner that will encourage all students to achieve these goals.

THE BAND MEMBER'S RESPONSIBILITY TO THE INSTRUMENTAL MUSIC PROGRAM:

1. Be regular in attendance and be able to account for all absences.
2. Become responsible for and expect to assume the consequences of his/her actions.
3. Have the proper respect for others in authority.
4. Follow all classroom rules, school regulations, and all travel instructions issued for trips.
5. Be honest and fair with others concerning equipment, music, and school life in general.
6. Read and play music with insight and expression.

THE RESPONSIBILITY OF THE INSTRUMENTAL MUSIC DEPARTMENT:

1. Plan each day's assignment and encourage daily progress of the entire band.
2. Provide the band with full musical education through rehearsal, performance, teaching, testing and listening.
3. Place any uncooperative members on probation accordingly.
4. Suspend any uncooperative members from the band program accordingly.
5. Dismiss any member that is not adding to the band program due to poor attitude and/or lack of improvement.
6. Supervise the students in class or on school-sponsored band trips.
7. Grade the progress of each student on his instrument and his music education.

THE IMPORTANCE OF DISCIPLINE

Because the nature of this organization, band discipline must, of necessity, be **STRICT**. Band students and parents must be willing to accept the ideals, principles and rules of the organization. Because band members are constantly on display, each must always be aware of the importance of good behavior. The student should remember that he represents his/her organization, school and community wherever he/she performs or appears publicly. Any misconduct casts a direct reflection on our school and community and may very well undo the good work of hundreds of loyal students.
