Skills for Learning and Living (SLL) Course Syllabus 2022-2023

Instructor: S. McMillan

Email: shelis.mcmillan@houstonisd.org

Room: 1319

Course Content

This semester students will effectively participate in the domains of written composition, oral expression, reading comprehension, grammar in context, and vocabulary development.

Unique Learning System ULS

We will be utilizing the Unique Learning System for this school year. The Unique Learning System (ULS) is a one-of-a-kind program designed specifically to give students with complex learning needs meaningful access to the general education curriculum.

About the Teacher

Briefly, I was born and raised in Houston. While working to complete my education degree I worked as a Teaching assistant in an SLL class for HISD. In my spare time I enjoy reading and crafting. I'm looking forward to a great year.

Grading Scale

Everything has a point value. If a vocabulary quiz has 11 questions, there are 11 possible points for you. If a section test has 20 questions, there are 20 possible points for you. If an exam has 72 questions, there are 72 points. Simply divide the points you receive by the number of possible points to get your percentage.

Attendance and Participation

Attendance and participation are required; it is difficult to learn the content if you are not present in class. Your class participation and attendance can be a deciding factor if your class average straddles two grades. Be sure to see me about any missed work if you are absent.
