Welcome/Bienvenidos

- 1. Student Handbook**
- 2. Lunch Schedule**
- 3. AP Capstone Campus**
- 4. Certifications/College Credit**

Students will construct their timelines with significant advancements in technology mapping their way to today's technology is able to put a person's face and body movements on the video making the double undetectable. We will survey and interview teachers and students about this technology and go from there. Students are expected to have contributions to their groups.
