Objective: To effectively work with students and teachers to achieve the common goal of mastery for each student. Also provide support to students in each class that I am assigned to.

Classes: Algebra 2 and Geometry

About the Teacher

Briefly, I was born in Minnesota and raised in Texas. I graduated from Waltrip High School in 2010. After graduating from Stephen F. Austin State University in 2015 I decided to pursue financial planning. After a short stint in the financial industry, I decided that education is the place for me. This is my 3rd year in education and first as a Teacher, I coach Football and I love growing and molding young minds.

Duties

- Research and IEPs for ARDs and leading ARDs when necessary
