TO MLCPA STUDENTS,

On behalf of the entire faculty and staff, we welcome you to the Mickey Leland College Preparatory Academy for Young Men! I would like to personally extend my best wishes to you for a successful school year.

We strongly believe that students learn best when they are academically stretched, nurtured, and engaged. We will promote hard work, integrity, and most of all leadership, while encouraging a spirit of discovery and adventure. Our goal is to equip each student with the tools necessary to become responsible young citizens and reach their personal best.

If you require additional assistance, please do not hesitate to contact me.

Sincerely,

DC

Dr. Dameion Crook
Principal

MISSION STATEMENT

To develop the full potential of every student by fostering an educational environment that encourages critical thinking, inspire student confidence, and nurture both the intellectual and social development necessary to graduate college and become successful leaders in the global community.

LEARNER'S CREED

Life is all about choices. One decision can mean the difference between great success and great failure. I have already decided to make my education and character top priority by choosing to attend Mickey Leland College Preparatory Academy. Today and every day I will strive to make decisions that will help to further my goals, even if the choices are difficult. Thoughtful choices, guided by my commitment to education and service, will help me to become a man of achievement, excellence, distinction, commitment, dedication and leadership.

Knights Law

A Knight is:

Honorable

Respectful

Intelligent

Neighborly

Helpful

Resourceful

Healthy

and

Faithful.

To Be a Knight

It is my right to be uncommon.

I seek opportunity....not security.

I do not wish to be a kept citizen, humbled and dulled by having the state look after me.

I want to take the calculated risk; to dream and to build, to fail and to succeed.

I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia.

I will not trade freedom for beneficence nor my dignity for a handout.

I will never cower before any master nor bend to any threat.

It is my heritage to stand erect, proud and unafraid; to think and act for myself; enjoy the benefits of my creations and to face the world boldly and say, "This I have done!"

This is what it means to be a Knight!

Daily Operations and Procedures

Attendance

Regular attendance and punctuality are required of every student. Students who have good attendance generally achieve higher grades, enjoy school more, and are much employable after leaving high school. HISD expects all students to attend school regularly and be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self discipline, and responsibility. No student may leave the MLCPA campus without a parent/guardian signing them out with at the front office. Any departure from campus without signing out will be considered as truancy.

Attendance and Excuses

1. A student must be in attendance for at least two hours to be considered present for one half day and for at least four hours to be considered present for one full day. These time limits refer to instructional time, not including lunch, homeroom, passing periods, or other non instructional time.
2. School sponsored or sanctioned activities are exempt and do not count as absences.
3. Students, parents, or guardians are to be notified when a student has three unexcused absences.
4. Students are required to make corrections to their attendance by verifying attendance with their teachers.

Absences

Students who have been absent or tardy must present an excuse in writing from the parents or guardian. Parent and guardians must email their documentation to Ms. Briagas julissa.briagas@houstonisd.org or Ms. Coronado at kcoronad@houstonisd.org. Excuses for absences and tardiness are:

- personal illness
- sickness or death in the family
- quarantine
- weather or road conditions making travel dangerous
- participation in school activities with permission of the principal
- juvenile court proceeding documented by a probation officer
- approved college visitation
- emergencies

Excuses should be in the school's possession no later than three school days after the date of the absence or tardy. The three day period begins with the day the student returns to school.

When a student misses school it is his responsibility to obtain assignments and to complete all work missed during the absence. Students **must** be given the opportunity to make up work missed due to all absences. Students must complete missing work within the same number of days they were absent unless there are extenuating circumstances and other arrangements have been made.

NOTE: AN ABSENCE THE DAY BEFORE OR AFTER A HOLIDAY WILL ONLY BE EXCUSED WITH AN OFFICIAL NOTE: DOCTOR/DENTIST/COURT-ETC....

Tardiness

A tardy is defined as arriving late to class, within the first 7 minutes, without an approved permit after the tardy bell has rung. Students who arrive after the first 7 minutes of class time will be counted absent, not tardy. It is important that students be prompt and prepared to each class, especially during the morning session.

Students arriving late to any class can be considered for disciplinary action, if continuous or excessive. This means any tardies that exceeds 3 or more in a six weeks grading cycle. Parents/Legal Guardians are responsible for making sure their child makes it on time to their 1st period class due to their own means of transportation.

Tardy Policy

- 3 unexcused tardies (3 tardies total) will result in one day of lunch detention.
- 3 additional unexcused tardies (6 tardies total) will result in afterschool detention.
- 3 additional unexcused tardies (9 tardies total) will result in parent contact and discipline referral to one of the administrators.

Student Pick-up Policy

- Effective immediately, Parents cannot pick up their student(s) 30 minutes prior to dismissal.
- Any changes in transportation must be made 30 minutes before the end of the day.
- Parents cannot request their student(s) be ready for pick-up. Parents must have a valid ID to present to the main office upon arrival.

Policies Governing the Administration of Medication

The policy of the Board of Education does not authorize Houston ISD school personnel to administer medication of any kind. This includes prescription drugs as well as aspirin, cough medication, etc. Any student who brings any sort of medication to school should be sent immediately to the Nurse Nwaogu.

Students on long-term preventative medication, which needs to be administered during school hours, must be referred to the front office staff. HISD doctor form must be accompanied by written permission of at least one parent.

Closed Campus

Mickey Leland College Preparatory Academy is a **closed campus**: therefore, no student may enter or leave the campus during school hours without approval of the Attendance Clerk.

Internship Program

Seniors (12th) interested in participating in an off-campus internship, must submit a request to Mrs. Kalantar-Corondo no later than August 30th. Students who are approved must complete a student internship agreement prior to starting the internship. Any violation of the agreement or student code of conduct may result in removal from the program.

Food Policy

- ****High School Students ONLY**** Students may order food off campus, using any food service app that includes ALL fees and tips only. No cash will be handled upon delivery. Students must order in enough time to receive their food during their designated lunchtime. Any food delivered after their designated lunchtime will be distributed at the end of the day. If your food does not arrive in time, you must eat the food provided by the cafeteria. Food must be delivered to the front office **only**. Students cannot go outside to pick up food and must give clear instructions to drop off in the front office. Any issues with deliver or the order is between the student and delivery service.

Any violations will result in suspension of off campus ordering school wide.

Middle school students CANNOT order food; however, their parents may bring food during their son's lunch time. Parents of middle school students also CANNOT approve delivery of food.

Parking

Students with a valid driver license and car insurance may drive to school and park in the designated parking lot. Students must turn in a completed driving contract to Mrs. Partida along with a copy of their driver's license and proof of insurance. If you have any questions regarding parking, please see an administrator. Unapproved drivers may be towed.

Credit Denial

A student will be denied credit for a class when the student accumulates four or more unexcused or excused absences in a class during the semester.

Student Conduct

We expect and encourage decent and appropriate behavior at all times while students are on school property and during all school-sponsored activities. Our campus-level discipline management plan is in accordance with the HISD Code of Student Conduct. HISD Board Policy provides procedures for consequences should violations occur.

HISD Board Policy also provides an action plan of procedures to deal with other major offenses and with chronic misconduct of any kind, which interferes with the educational process. Policies apply during school hours, before and after school, while on school property, while riding the bus, and at all school sponsored events. Students and parents should understand that in addition to taking disciplinary action at the school level, illegal acts must be reported to HISD Police and to the appropriate law enforcement authorities.

Disciplinary Procedures

If a student does not adhere to our school wide/classroom student expectations and receives a discipline referral, he may receive any of the following disciplinary actions listed below. Please be advised that these are not the

only actions that can be taken; nor is this the order in which disciplinary actions will be carried out. It will depend upon the level of the violation. Parents and students can refer to the HISD Code of Student Conduct for the **various levels of infraction and additional disciplinary actions.**

- Parental Contact/ Parent Conference
- Detention (lunch and/or Saturday)
- Loss of Privilege
- In school suspension
- Suspension
- Behavior Contract
- Non-Renewal of Magnet Transfer

The fee for the Power UP laptop is \$25.00. Please see Mr. Umar for more details.

Students ARE NOT allowed to access inappropriate websites or search inappropriate topics. If they do not adhere to this policy, they will be referred to their designated administrator.

**** Please note the district's policy on being a good digital citizen and using technology properly.**

HISD Digital Footprints and Digital Citizenship

DEFINITION

***Digital Footprint:** A phrase used to describe the trail, traces, or "footprints" that people leave online*

Digital life is both public and permanent. Everything, we do online creates digital footprints that migrate and persist. Something that happens in the spur of the moment - a funny picture, an angry post - can resurface years later. And if we aren't careful, our reputations can be harmed. In addition, a bad digital footprint can affect our future livelihood. Colleges now are checking the social media postings of potential students, and employers are doing the same for applicants. That's why it is crucial that HISD and parents work together to ensure that our students are good digital citizens.

DEFINITION

***Digital Citizen:** A person who use the Internet regularly and effectively.*

A good digital citizen is one who knows what is right and wrong, exhibits intelligent technology behavior, and makes good choices when using technology. Much as we want our kids to be good citizens in the real world, we want the same in the digital world. Characteristics of a good digital citizen include:

- Being confident and capable of using information communication technologies
- Using technology to participate in educational, cultural, and economic activities
- Developing and using critical thinking skills in cyberspace
- Using technology to relate to others in positive, meaningful ways
- Respecting the concepts of privacy and freedom of speech in a digital world
- Contributing to and actively promoting the values of digital citizenship

Ensuring students understand the importance of good digital citizenship and the potential impact of a negative footprint requires the work of parents and educators. Here are some tips that both children and adults can use to maintain their digital footprint:

- Think long term. What seems fun today could have long-term consequences.
- Keep personal information private.
- Use privacy settings on your social network pages. Don't use public posting.
- Protect your friends' privacy as well as yours.
- Use the Golden Rule online - treat others the way you want to be treated.

Cell Phone & Electronics

Students may not use their cell phones to talk, listen, or text from 8:30 am until after the last class dismisses. *If students need to contact their parents, they should get permission from their teacher or an administrator and use a designated school telephone.* If the cell phone or any electronic items are seen, heard, or in way interferes with the educational process, the item will be taken up by school personnel.

Parents will be required to come to the school and pay \$15 in order for phones or personal electronics to be returned. Parents assume all risks associated with students bringing cell phones and other electronics on campus.

All personal electronic devices including, but not limited to: iPad's, iPod's, tablets, wearable electronics (watches), notebooks, and Nintendo Switch are only allowable during breakfast and lunch, not during instructional time and assessment times. If any electronics are needed for a specific classroom assignment, that assignment must be approved first.

Consequences for Cell Phone and Electronics Violations

- 1st Violation - Student warning/phone taken until the end of the day
- 2rd Violation- \$15.00 Charge - Payment must be made via SchoolPay
Parent must pick up

On the 3rd cell phone or electronics violation, it becomes a Level II offense and will require administrative intervention. Please refer to the 2023 2024 Student Code of Conduct and Discipline Policies.

**** The use of HISD issued technology is not allowed in the cafeteria without permission. That includes but is not limited to student iPads and Power Up laptops.**

An alternative assignment or assessment may be assigned at the discretion of the teacher. Examples of academic dishonesty are listed below:

Cheating of any kind WILL NOT be tolerated in any classes. It is a **Level 2 offense** and will be handled accordingly by the designated administrator. The following are examples of cheating:
