How Schools Qualify

- Campuses with an economically disadvantaged enrollment percentage of 40%-100% are considered “school-wide” campuses.
- Campuses with an economically disadvantaged enrollment percentage of 35-39% are considered a “targeted assistance” campus.
- Campuses with an economically disadvantaged enrollment percentage below 35% are not eligible for Title I funds.

This school year, our campus (Frank Black Middle School) is identified as a Title I Campus .

Title I Funds

These “supplemental” federal funds are used to:

- Accelerate instruction for struggling students,
- Provide professional-development for teachers, paraprofessionals, and administrators
- Hire certified personnel, and highly qualified instructional assisting staff.
- Provide additional resources – technology, personnel, materials, instructional programs, software, etc
- Encourage parent and family involvement.
