

**SOUTH EARLY COLLEGE HIGH SCHOOL
ADVANCED TECHNOLOGY INSTITUTE**

RECRUITMENT PLAN

September 09 – November 05, 2019

8:00 – 3:30

PLAN:

South Early College is a pure Magnet school, and therefore participates in the recruiting schedule established by the Office of School Choice. The schedule for recruiting events is shown below.

Starting Monday, September 09, 2019; our Magnet representative Ms. Nora Sada will be visiting HISD Middle Schools to recruit SECHS new students. Our recruitment goal to the school year 2020-2021 is 125.

Visit Date	Middle School	Visit Time
Mon. 9/9/2019	Burbank	9:30 AM
Mon. 9/9/2019	Garden Oaks	1:00 PM
Mon. 9/9/2019	Black	2:30 PM
Tues. 9/10/2019	Hogg	2:00 PM
Wed. 9/11/2019	T.H. Rogers	9:30 AM
Wed. 9/11/2019	Briar Meadow	2:00 PM
Mon. 9/16/2019	Pin Oak	9:30 AM
Mon. 9/16/2019	Rice	2:00 PM
Tues. 9/17/2019	BCMA @ Ryan	9:30 AM
Tues. 9/17/2019	Project Chrysalis	2:00 PM
Wed. 9/18/2019	Lanier/Wilson @ Lanier	9:30 AM
Wed. 9/18/2019	Pershing	2:00 PM
Mon. 9/23/2019	Jane Long	9:30 AM
Mon. 9/23/2019	Meyerland	2:00 PM
Tues. 9/24/2019	West Briar	9:30 AM
Tues. 9/24/2019	Revere	2:00 PM
Wed. 9/25/2019	Fonville	9:30 AM
Wed. 9/25/2019	Henry	2:00 PM
Mon. 9/30/2019	Fleming	9:30 AM
Mon. 9/30/2019	McReynolds	2:00 PM
Tues. 10/1/2019	Welch	9:30 AM
Tues. 10/1/2019	Fondren	2:00 PM
Wed. 10/2/2019	Hartman	9:30 AM
Wed. 10/2/2019	Navarro	2:00 PM
Mon. 10/7/2019	Sugar Grove	9:30 AM
Mon. 10/7/2019	Las Americas	2:00 PM

Tues. 10/8/2019	Forest Brook	9:30 AM
Tues. 10/8/2019	Key	2:00 PM
Wed. 10/9/2019	Fall Holiday	
Mon. 10/14/2019	Holland	9:30 AM
Mon. 10/14/2019	Edison	2:00 PM
Tues. 10/15/2019	Cullen	9:30 AM
Tues. 10/15/2019	Attucks	2:00 PM
Wed. 10/16/2019	Pilgrim	9:30 AM
Wed. 10/16/2019	MIMS	1:00 PM
Wed. 10/16/2019	Tangelwood	2:30 PM
Mon. 10/21/2019	Thomas	9:30 AM
Mon. 10/21/2019	Stevenson	2:00 PM
Tues. 10/22/2019	MC Williams	9:30 AM
Tues. 10/22/2019	High School Ahead Academy	2:00 PM
Wed. 10/23/2019	Lawson	9:30 AM
Wed. 10/23/2019	Billy Reagan	2:00 PM
Mon. 10/28/2019	Marshall	9:30 AM
Mon. 10/28/2019	BCM BIOTECH @ Rusk	2:00 PM
Tues. 10/29/2019	Hamilton	9:30 AM
Tues. 10/29/2019	Wharton	1:00 PM
Tues. 10/29/2019	Gregory-Lincoln	2:30 PM
Wed. 10/30/2019	PSAT	
Mon. 11/4/2019	Ortiz	9:30 AM
Mon. 11/4/2019	Deady	2:00 PM
Tues. 11/5/2019	Clifton	9:30 AM

RECRUITING INFORMATION:

1. Our focus is Early College, so our primary mission is to provide students with the opportunity to earn their Associate's degree in high school.
2. What makes us different at SECHS is our history and our focus on STEM.
3. In terms of our history, SECHS began as an idea among four teachers at YATES High School in 2003, to improve access to college for under-represented minority students. These teachers designed protocols and curriculum to over-serve students who had been historically under-served.
4. Our protocols are deeply rooted in the cultural richness of our students and are centered on habits of the mind which include perspective, communication, and critical thinking; as well as habits of the heart which include empathy, respect, responsibility, integrity, and perseverance that will not only serve them in academic classes, but also in their careers.
5. Our curriculum is focused on STEM, which includes a strong science and math pathway with college level instruction. Our Career pathways courses include Engineering, Computer Programming, and Construction.

6. We have invested heavily in high tech devices such as state of the art computer labs, VEX robotics, Nao (pronounced “now”) humanoid robotics, Minds-I rovers and drones, 3D printers, virtual reality, and computer-aided drafting.
7. Our engineering curriculum uses whiteboxlearning.com to introduce freshman students to a broad range of engineering disciplines. WBL starts with an online virtual learning platform, then takes the learning “real-world” with hands-on kits and activities. (Show them prosthetics, bridge, glider and drone artifacts if available). Students in the upper level engineering classes learn computer-aided drafting and build real-world projects such as models and prototypes of emergency shelters and solar-chargers.
8. We have a multitude of industry partnerships, including a program called TEALS, where computer engineers come to the classroom and co-teach, as well as Urban STEM, which put on robotics competitions and summer camps.
9. We are on a block schedule, which includes advisory and intervention classes each day and club time on Fridays.
10. We have a world class advisory program that meets daily to enhance the success of our protocols of habits of the heart and mind, and to build relationships with our families and community.
11. We have a robust summer bridge and TSI preparation program, which is essential to the success of our students.
