Dear Lovett Families,

I hope this letter finds you well. The faculty & staff at Lovett miss all our families and cannot wait to see you again when the time is right. Many families have inquired about the Lovett Summer Enrichment Camp that we hold the month of June. The global COVID-19 pandemic is impacting the health and lives of so many loved ones and it is very difficult to know what the summer months will bring. So, it is with an abundance of caution and a heavy heart that we cancel the Lovett Summer Enrichment Camp. We do this out of concern for the health and safety of our students, families, and employees.

All registrants who paid via SchoolPay will receive an electronic refund for any monies paid minus the fees that are collected by SchoolPay. Refunds will begin to process this week.

If you paid in cash, your refund will be available for pick-up in the first few weeks of June. Please watch for emails regarding days and times to pick up your cash at Lovett.

If you have any questions or concerns, please email me at ladams12@houstonisd.org. I appreciate your full cooperation in this matter.

Kind Regards,

Lauren Adams
Summer Enrichment Camp Coordinator
