

End of Year Impact Report

Our Mission

We empower Black and Latino young men to be leaders in their lives, schools, and communities by preparing them to attend and graduate from the most selective colleges and universities of their choice.

MAS Senior Spotlight

Miles Ahead Scholars began in the Fall of 2019, and Tyran was a part of the inaugural group of young men who believed in the power of #MilesAheadScholars.

Fast forward to Spring 2023, he has been named Terry Scholar, a premier full-ride scholarship program.

Tyran is proud to announce he will be attending the McCombs School of Business at the University of Texas at Austin.

2023 College Tours

We completed 3 college tours: Prairie View A&M University, University of Houston and Texas Southern University.

Corporate Partnerships

MAS support extends into the corporate world. Recently our senior cohort visited VITOL to learn about opportunities in the oil and gas industry.
