

2023-2024 IMPACT REPORT

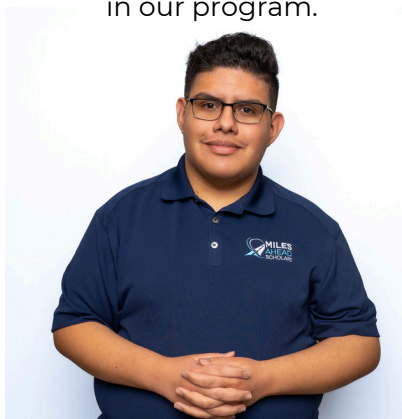

OUR MISSION

We empower Black and Latino young men to be leaders in their lives, schools, and communities by preparing them to attend and graduate from the most selective colleges and universities of their choice.

SENIOR SPOTLIGHT

Meet Guillermo(above), who will be attending the prestigious Trinity University this fall. Joining him in pursuing academic excellence at a selective college is Max (below), who will be entering UT Austin’s highly ranked Computer Science program. Both of these exceptional students graduated as Salutatorians of their class, a testament to their dedication and hard work throughout their time in our program.

MEET THE CLASS OF 2024

We are incredibly proud of our Seniors who have dedicated four years of their lives to excellence, setting the foundation for success that will undoubtedly carry over into their college careers and beyond.

## MEET OUR RISING SENIORS: CLASS OF 2025

The Class of 2025 is the largest and most college-ready graduating class in the program's history. They have achieved this distinction through various means, including meeting and surpassing SAT benchmark scores, scoring 3 or higher on multiple AP Exams, and completing rigorous dual enrollment coursework through UT OnRamps and Houston Community College.
