Title I, Part A Program
Definition & Purpose

Definition
Title I, Part A is a formula grant program that provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families.

Purpose
The Title I, Part A program is intended to help ensure that all children meet challenging state academic standards, regardless of economic status. Title I is the government’s attempt to provide all children with the opportunity to receive a fair, equitable and high-quality education, and to close the achievement gap.
How Schools Qualify

This school year, Burbank M.S. is identified as a school-wide Title I Campus.

- Campuses with an economically disadvantaged enrollment percentage of 40%-100% are considered “school-wide” campuses.
- Campuses with an economically disadvantaged enrollment percentage of 35-39% are considered a “targeted assistance” campus.
- Campuses with an economically disadvantaged enrollment percentage below 35% are not eligible for Title I funds.
At Burbank M.S., we spend our Title I dollars on:

1. To pay additional teachers and counselor
2. Professional development
3. Tutorials
4. Supplemental materials
