

HISD STEM SUMMER CAMP 2023

WHO?

- Elementary Students (Current Grades 2-4)
- Middle School Students (Current Grades 5-7)

WHAT?

Join us for a three-week STEM summer camp that immerses kids in hands-on learning experiences focused on coding, robotics, and design thinking. Our aim is to engage and inspire children with interactive activities that stimulate their curiosity and creativity about deep space exploration.

WHEN?

June 12-27

WHERE?

- Black Middle School
- Clifton Middle School
- Edison Middle School
- Hamilton Middle School
- Henry Middle School
- Mandarin Immersion Magnet School
- Ortiz Middle School
- Reagan K-8 Educational Center
- Revere Middle School

Henry Middle School will only offer an elementary section.

To apply and for more information, visit houstonisd.org/summer or scan the QR code.
