Imagine Learning + Literacy (ILL) and Imagine Español (IE) for English Learners (ELs)

START

The Goal

Improve Language & Literacy Achievement by

Targeting the 5 components of reading, phonemic awareness, phonics, vocabulary, fluency, comprehension, along with grammar and language development (both academic and conversational)

ILL aligns with educational standards and addresses skills students need to become proficient in reading and close the language proficiency gap between ELs and non-ELs

IE is a web-based educational platform that accelerates grade-level reading and language proficiency in Spanish for students in K–5. Students in 3rd-5th may access **IE** for intervention in their native language. **IE** addresses the diverse instructional needs of native speakers, and targets foundational literacy skills in an engaging, game-like environment that celebrates the cultures of the Spanish-speaking world.

Or download the Imagine Learning Student app to Chromebooks from the **Chrome WebStore**, to iPads from the **AppStore**, and to Android devices from **GooglePlay** and **Amazon**

Teachers and students can access **ILL** and **IE** at home through student and teacher single sign-on using HISD's HUB Digital Resources

Check **bit.ly/ILLsupport** or **bit.ly/IEsoporte** to ensure computer or tablet devices meet the minimum technical requirements

Educators, parents, and students can access the website for free videos, resources and more!

Imagine Learning developed Imagine Learning At Home:
imaginelearning.com/at-home

In the website find detailed instructions, free videos, and information on getting started in both **ILL** and **IE** through parent letters in 15 languages: Spanish, Arabic, Mandarin, Vietnamese, French, HatianCreole, Hmong, Japanese, Korean, Somali, among other. Download: **bit.ly/ILLletters**

Customer care in Spanish is available Monday-Friday: 6 a.m. – 6 p.m., by email at **support@imaginelearning.com**, and by telephone at **1-866-457-8776**

Parents: help students succeed by being involved in their **ILL** and **IE** experience. Recommendations below support both programs: Encourage students to use **ILL** and **IE** at home; Encourage students to be thoughtful and attentive; Ask students to read the stories aloud to you and review the skills taught in any printouts; Review students' progress with their teacher; Discuss students' overall progress and growth, test results, and skill areas where your student may be struggling
