

To the parents of a student at Burbank Middle School:

Good news! The HISD Connect Parent Portal will be available for the 2020-2021 school year beginning August 31. The HISD Connect parent portal allows parents with several children to view information for all their children with one login account.

If you have internet access, you may view your child(ren)'s current grades and attendance at any time after creating your account. To create your account, access the PowerSchool Parent Portal at:

<https://hisdconnect.houstonisd.org/public>

Once there, complete the following steps:

Create Parent Account

- 1- Select the tab that says Create an Account
- 2- Click the Create an Account button

Enter the information required in steps 3 to 6, including creating your Username and your Password.

Next, you'll find the **Link Students to Account** section. Steps 7 to 10 require the following:

7- Student Name

8- Access ID

9- Access Password

10- Select your relationship with the student

The information for steps 7, 8, and 9 will be found in the letter that was sent home.

Repeat steps 7, 8, 9, and 10 for all the students that you would like to connect with your account.

When finished, press **Enter**.

You will be re-directed to a new login screen where you will enter the username and password you created above.

Please keep your username and password confidential so only you can access the information for your student(s).

If you need any assistance, please call the school at 713-696-2720.

Sincerely,

Burbank Middle School
