Patience

Patience

The Value for the Month of May is Patience. Each day students can journal about the topic patience; and discuss how the topic relates to them or someone they know.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1 A trusting attitude and a patient attitude go hand and hand.	2
3	4 Patience is not simply the ability to wait, but it's how we behave while were waiting.	5 Through a storm, exercise the art of patience and respect the fury of nature.	6 There is something good in all seeming failures. Time will reveal it. Be patient.	7 Patience is a virtue and learning patience can be a tough lesson.	8 Great works are performed not by strength but by perseverance.	9
10	11 Patience, persistence, and perspiration make an unbeatable combination for success.	12 When you encounter various trials, they're opportunities to learn patience.	13 The top two habits that will decide between success and failure are patience and perseverance.	14 If we are not patient with ourselves it is unlikely that we can be patient with anyone else.	15 Always show patience, don't turn away it will make life worthwhile tomorrow and today.	16
17	18 If we want to live wider and deeper lives, practice patience.	19 Patience is not just about waiting for something its about how you wait, or your attitude while waiting.	20 With love and patience, nothing is impossible.	21 All good things come to those who wait.	22 Patience is the key that solves all problems.	23
24	25 Memorial Day!	26 Have patience with all things, but first yourself.	27 Patience is the calm acceptance that things can happen in a different order than you expect.	28 Patience with family members is the key to a happy home.	29 Patience is the ability to wait and have a good attitude.	30
