

# WEEKLY REPORT

*The latest news and updates from 7C ELA*

## Week 7

We are coming to the final weeks of our distance learning experience and our 2019-2020 school year.

On Monday, I will upload our weekly assignment. It should be turned in by Sunday at 8 pm. Just like last previous weeks, students can join Teams to ask questions or request one on one teams through Calendly. To ensure students are doing their checkin, I will start integrating a weekly Flipgrid question for students. This week's question is "What have you been reading?" If you haven't been reading you can check out Pin Oak's Library for free resources. This week's assignment is a yearly reflection. Create a poem about your 7th-grade year. Include 10 adjectives and prevalent events that would describe your year in 7th grade. The poem should be in narrative or ode format with at least 20 lines 5 words per line. Include 5 pictures that reflect your poem appropriately Write the poem on google docs or Canva and submit it on Google Classroom.

### IMPORTANT INFORMATION

**Last day to collect work - May 22nd**

**Make- up week May 26th**

**Grades due June 1st**
