

How to Access the Hub

You can get to the Hub two ways:

Long way but foolproof ☺

1. Go to www.houstonisd.org
2. Scroll down till you see the Powerup Hub icon and click it.
3. Click on the box that says "Login using Houston ISD account"

Backslash(\)
MUST be facing
as shown

MUST add
"S" before
student ID
number

4. Enter your login information:

Username: "student\" student ID preceded by the letter "S" (e.g.: student\S123456)
Password: birthdate as 8 digits in mmddyyyy format (e.g: 01012007)

Short way

1. Go to <https://houston.itslearning.com>
2. Click on the box that says "Login using Houston ISD account"

3. Enter your login information:

Username: "student\" student ID preceded by the letter "S" (e.g.: student\S123456)
Backslash(\) MUST be facing as shown
Password: birthdate as 8 digits in mmddyyyy format (e.g: 01012007)

****NOTE:** If you follow these instructions and are unable to log on, we have found in some cases that using your current Gradespeed password instead of the date of birth allows students to access the site.
