

Student Login to the HUB

Inside HISD

1. Login to the computer/laptop.

Username: Student\S#####
 (“#” is the student’s ID number)

Password: XXXXXXXX
 (“X” is the student’s 8-digits birthday.
 For example, August 10, 2001 is 08102001)

2. Open a web browser, and access the HUB at houstonisd.org/hub.

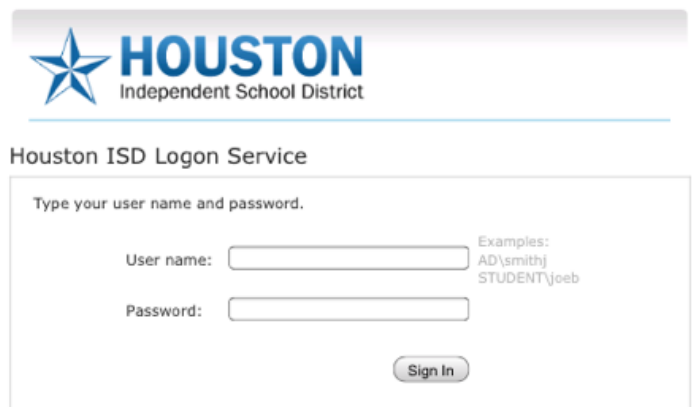

The HUB is set-up for single-sign on; therefore, it will recognize the student from their initial login to the computer/laptop. Once in the HUB, the student should see their name in the upper right-hand corner.

Outside HISD

1. Open a web browser, and access the HUB at houstonisd.org/hub.
2. When prompted with the Houston ISD Login Service screen, enter:

Username: Student\S#####
 (“#” is the student’s ID number)

Password: XXXXXXXX
 (“X” is the student’s 8-digits birthday.
 For example, August 10, 2001 is 08102001)

The HUB is set-up for single-sign on; therefore, it will recognize the student from their login to the Service screen. Once in the HUB, the student should see their name in the upper right-hand corner.
