

Wisdom High School Safety and Security Committee Meeting

Date: Thursday, 10-15-2020

Time: 5:00 P.M. – 6:00 P.M.

Facilitator: Ardelia Ford

Objectives:

- 1) Discuss and review Safety Leadership changes
- 2) Discuss and review the Safety Walk Schedule
- 3) Discuss feedback on Fire Drills

Activity	Time	Notes
<p><u>Introductions</u></p> <ul style="list-style-type: none">• Name• Role• Name 1 way you contributed to campus safety this week	10 minutes	<u>Members Present:</u> Bridgette Davis, Elhadji Toure, Marian Green, Janae Witter, Mark Waxler, Sidra Hassan, Ardelia Ford
<p><u>Virtual Norms</u></p> <ul style="list-style-type: none">• Mute when not speaking• Show video when speaking• 2b4me• Actively participate• Always be respectful	2 minutes	N/A
<p><u>Safety Changes</u></p> <ul style="list-style-type: none">• Safety Captain• Safety Alternate• Safety Security and Emergency Preparedness Council	3 minutes	Ardelia discussed the changes that have occurred within the Safety Team: Ardelia is the Safety Captain and Ronda Rhodes/John Cabrera are the Safety Alternates. The Administrative team meets as a Council to address campus safety, security, and emergency preparedness. This Committee will continue to meet monthly to ensure teachers, students, parents, and the school community have input in Campus Safety decisions.
<p><u>Remind App</u></p> <ul style="list-style-type: none">• Download the Remind App• Join the Wisdom High School Safety Team• Join Code: @ardeli <p>We'll use this app to share ideas and alert administrators</p>	1 minute	Everyone present is on the Remind App.

<p><i>of any safety questions/comments/concerns</i></p>		
<p><u>Campus Safety Walk Schedule</u></p> <ul style="list-style-type: none"> • <i>Updates</i> • <i>Review Schedule</i> 	<p>10 minutes</p>	<p>We reviewed the Campus Safety Walk schedule. Ardelia invited the Committee to join her on the walks any time they're available. The Committee likes the idea of the campus safety walks.</p>
<p><u>Intruder Drill/Active Shooter Drill Video</u></p>	<p>5 minutes</p>	<p>Video will be great for students with language barriers. The Do's and Don'ts are a good idea. Include what to do if a shooter is in the front office and we can't get to the loud speaker to communicate to the school. We need a scenario in that case. Ardelia will reach out to Mr. Fanucchi to shoot the video. We have to be careful to ensure emphasis is placed on quality so the video is taken seriously. Other campuses have tried this and sometimes the video is viewed as a joke. Seek volunteers from responsible teachers and students to do the video.</p>
<p><u>Fire Drill Feedback</u></p>	<p>15 minutes</p>	<p>Fire drills are unorganized. We need markers once teachers go outside. At another campus, every teacher had a yardstick with their name on the stick like a placard. Teachers had a designated area and teachers lined up in a straight line in their class. Teacher went down the line to take attendance. Students could hold the placard as well. One side of the placard could be labeled with Room Number and the other side with the teacher's name. A question was asked as to whether the Special Education area could have a heads up when there's going to be a fire drill due to students' special needs. Ardelia will share this reasonable request with Mrs. Thomas-Murray,</p>

		<p>Special Education Administrator. A concern was raised regarding the classes that exit from yellow neighborhood to the back area on Skyline. There's a safety concern with students crossing and playing in the street. Sometimes fire trucks have trouble getting through the streets. We may need to consider having everyone go to the front of the building as Mrs. Wagner directed last year. A suggestion was made to use both of the front football fields, the student parking lot, and the field behind the teacher parking lot. If we get the football fields stiped, we can use that as markers for students to use as they line up. Students feel the fire drills are unorganized, students use the time to meet up with their friends, and teachers are not checking on them to ensure attendance is taken. Students need to know a specific location to report to.</p>
<p><u>Safety App</u></p>	<p>10 minutes</p>	<p>Elhadji informed us that the Safety App feature they were working on has been partially done by PowerSchool. His team is working on facial recognition software. They're expecting this to be done by November 22nd. He'd like to present their findings to the team in December.</p>
<p>Closure/Next Steps</p>	<p>4 minutes</p>	<p>Ms. Witter would like to know why teachers can't paint in the building. Ardelia will follow up with this inquiry before or by the next meeting.</p>
