WRAPAROUND SERVICES

Dear Parent/Caregiver/Teacher,

My name is LeRoy Phillips and I am the new Wraparound Resource Specialist at Shadydale Elementary School. My primary goal is to connect all students, parents, and teachers, to non-academic support (resources), to address critical issues such as mental health and physical health needs, food insecurity, lack of stable housing, violence, incarceration of a parent, and many other challenges that would hinder students achievement.

When wraparound services are provided along with strong academics and high-quality teaching, schools can truly meet the needs of the whole child. Please don't hesitate to contact me at the school if you need resources and/or assistance.

I am excited to be at Shadydale Elementary School, and I look forward to serving our students, families, and staff.
