Greetings Parents and Students,

As we embark on a new school year, I am anxious to work with you and your child for the 2021- 2022 school year. My name is Ms. Deal, and I have been a teacher at James Madison High School for 24 years, working in the Social Studies Department.

My school experiences consist of a Bachelor of Science Degree in Education with a Composite in Social Studies. This degree allows me to teach all Social Studies subjects. This year I will be your child's World History teacher, where they will learn about world events, and how different cultures interact and make changes around the world. I am not a native Houstonian, but the lifestyle through the years can grow on you. As the year begins, we will have many challenges ahead and if we work together, we can achieve our goals.

The expectation of this course is to make sure everyone attends class on time, be attentive, participate in class activities, be respectful to one another, and most of all to work to the best of your ability. During this school year if you need to contact me, you may reach me through my E-mail at Ddeal1@houstonisd.org , and through the Microsoft Teams for your child's class .

Sincerely,

Dawn P. Deal
