MS. NGUYEN

Hello! Welcome back! I am so excited to start this school year, to meet you, and to get to know all of you. My name is Ms. Nguyen and this is my third year teaching here at Madison High School. Although things are different, we will make it the best year yet! Here is a bit about me to get us started!

I graduated from Texas A&M University at College Station with a bachelor's in history. AAAA WHOOOP!!! I'm very obsessed with food, so on my spare time I love to hunt down all the best places in town to eat. Due to my passion for food, I also love to travel to find more exotic and interesting places. I've traveled to many countries in Asia and fell in love with the continent, so when its not Covid time, in the summer I basically live in Asia. Lastly, I am Vietnamese and is extremely proud of my heritage and culture.

My philosophy in teaching, "If you a have child's heart, you have their mind" so my personal goal is to get to know every single one of my students. I want to be the teacher that my students can always depend on and know that I have their back no matter what. However, I also have extremely high expectations academically and personally for my students. This year we will regain all lost times and more! Let's get rolling!
