Greetings Marlin Parents,

I am excited to welcome you and your student(s) to the 2021-2022 school year. Allow me to introduce myself, I am Ms. Khloe Thibodeaux (Tib-uh-doe) or Ms. T as my students affectionately call me. I was born, and raised in New Orleans, Louisiana. I moved to the Houston area in 2006 where I finished my secondary education, as well as collegiate studies. While attending the illustrious Texas Southern University, I earned two degrees a B.A. and M.A. both in History. Being that I am from New Orleans I am a diehard New Orleans Saints fan, “Who Dat!” In addition to football in my spare time I enjoy spending time with family and friends as well as searching archives (collections of historical documents) for all sorts of resources.

This will be my third year teaching United States History, and my first year teaching African American Studies at Madison High School. I am eager to work with my students in person after being virtual last year. I value the individuality of each student and dedicate myself to contributing to their growth both in and outside the classroom. All Marlins will be held to the highest standards, because I know they are capable. Below you will find a list of required supplies as well as my contact information.
