August 16, 2001

Dear Students and Guardians:

Welcome to your World History class for the 2021-2022 school year! We will be exploring the beginning of our historical world up through modern times. As we make our way through the past, we will create a wall-size timeline to document our journey and keep the events fresh in our minds!

It will be exciting to see you in school this year! Hopefully you are rested up and ready to go! You will have daily graded assignments and be expected to pass an assessment at the end of each unit. History is like building blocks; everything we study leads us to the next big event that happened. It's like one long story that you are still adding to daily.

I have taught social studies for 21 years in Maine, Louisiana, and Texas! After serving 4 years in the United States Air Force in Germany, I attended the University of Louisiana at Monroe where I graduated Magna Cum Laude in 3 years.

I love to travel all around the world, and I collect Pez dispensers! I have visited 46 states and 18 countries. My Pez collection has grown to over 1,200+ individual pieces over the last 20 years. They are so cute and fun to look at in the glass cases where I keep them. My six grandchildren love to tell me which ones are their favorite characters!

So that's a snapshot of our future this year in World History and a little bit about me. I cannot wait to learn all about you and your adventures!

Sincerely,

Angela Charity
