Hello James Madison Parents,

I hope all is well and all of you are staying safe as we continue to navigate through these challenging times. My Name is Mr. Peters and I will be your student's 2021-2022 US History teacher. Here is a little introduction about me. I am a product of the Houston Independent School District, I graduated from Madison Sr. High School and pursued my higher education at the University of Houston, where I received my Bachelors degree in Business Management and my MBA in Marketing.

I returned to be a teacher at Madison in 2010, I initially was a World Geography teacher. I spent eight years teaching that subject and I currently going into my fourth year as a US History teacher. I truly feel that I can relate with many of my students considering I grew up in this same neighborhood. I truly enjoy working to help all students reach their full potential in the classroom and beyond, building a well-rounded student prepared to take the world on.

As your child's US History teacher, I am excited to see what we can accomplish. All I ask is that every student come in with a positive attitude and a willingness to try. I would like for them to put forth their best effort this school year. If they do, they will be very successful within my class. I will continue to provide a safe environment for all my students to learn. The one thing that I do require for my class is that each student gets a 16gb flash drive.

My contact information is:
