It is my pleasure to welcome you to your student's IPC class. I am looking forward to an amazing successful year with you and your student .Over the next year the students in my class will engage in an intensive and achievement oriented course that will cover the essential skills and knowledge necessary to the understanding of Physics and Chemistry. I am honored to be entrusted with your student and am excited to work with you as well.

I would like to be clear in letting you know that I uphold high expectations for your student exceed as well as other students in my class. I believe each day is an opportunity to succeed and expect each student to put forth the hard work necessary to be successful. I have made my expectations both academic and behavioral clear to your student and am very confident that He/She will meet and exceed these expectations.

Additionally 'I know that parent teacher communication is important in the academic success of your student and that is why I am looking forward to our partnership .I would like you to be and feel involved with your student's learning in my class. Therefore, I invite you to contact me at any time about your student's academics. I will also be more than happy to contact you periodically via phone text or e-mail whichever works best for you about your student's progress in the class.

I care very much about your student and look forward to a productive year. Please do not hesitate to contact me.

Sincerely

Mr. Gerald Vincent
