Letter of Introduction Algebra I

Hello class, my name is Mr. Ryan Avera and I am excited to be your teacher this year. I am a graduate of the University of Houston and grew up in the Houston area.

This year, I will be teaching Algebra 1 for the third year.

I love to mountain bike when I can find time between taking care of my son and spending time with my wife and cats.

This year, we will be utilizing technology heavily to “aim for the stars” and achieve great things.

Students will be expected to bring their laptop every day. I can be reached by email (see below) or on Teams. I look forward to working with you all this year!

Ryan Avera
