Greetings Students and Parents,

Welcome to James Madison High School 2021-2022 school year. My name is Ms. Hubbard, and I will be your student's teacher of record for Algebra 1. I am looking forward to working with you and getting to know your child and helping them to succeed in their education and participation during the school day. If you have any questions or concerns, feel free to e-mail me at g Hubbard@houstonisd.org.

I have completed my 22nd year with the Houston Independent School District. I am a Prairie View A&M University graduate with a Bachelors degree in Computer Science. I completed my teaching certification at the University of Houston Teaching Certification Program. I currently hold a Masters Degree from Prairie View A&M University. I enjoy traveling, jogging, movies and gardening.

I am here to support you and your child with their academic needs. I am looking forward to a productive and successful school year.

Respectfully,

Georgetta Hubbard
