Letter of Introduction – Math Strategies

My name is Tamara Ceaser. I am an Hourly Degreed Lecturer working within the Math Department. I have been in the field of education for the past 5 years. I attended Houston Baptist University for Undergraduate Studies and I am currently pursuing Graduate studies there as well.

For the 2021-2022 school year, I will be teaching Mathematics Strategies. The expectation for my classroom is that the classroom environment will always be conducive to learning, which includes but is not limited to:

- Being respectful of the classroom environment, peers, and yourself
- Laptops with chargers **are required daily**, along with a marble composition notebook
- If you **Do Not** understand the material or need help, please “ASK”
- I **require open communication** between myself, students and parents

The best way to contact me is via **TEAMS**. I will also utilize **TEAMS** to communicate directly to students and parents if necessary.

Fun Fact about me: I am country girl at heart. Don't be surprised, if you see me riding my horse in a trail ride or riding ATVs at one the local mudparks!!!!

LET'S HAVE A GREAT SCHOOL YEAR!!!!!!
