Welcome Madison family,

Our current situation is not ideal but nevertheless rest assured that we at James Madison High School value the importance of Leading through Excellence and Efficiency. My name is Martin Martinez and I am honored to serve as Spanish II teacher and coach boys' basketball junior varsity and freshmen teams.

I was born in Mexico but raised in Houston, Texas. Graduated from MacArthur HS and was fortunate to compete in UIL State Cross Country Championships '01. I also ran for Sam Houston State University and received a degree in Spanish with a minor in History.

Madison High became my home six years ago. I have high hopes and expectations for all students. I am a firm believer in education as a tool for success as it has enabled many opportunities in my life.

It is imperative that we communicate all year. Please feel free to call or email me for any concerns you may have. Also, the HUB and Microsoft TEAMS will be our main channels for instruction this school year. Both locations online are where the students will find all their assignments.
