August 18, 2021

Greetings Parents:

I will be your child’s English III teacher this school year. I consider it a high honor to be one of the educators chosen to be an academic partner with your child and you. I am excited about our academic partnership!

Motivation and support are major keys to unlock a successful school year. Therefore, I will be your child’s academic motivator and supporter by cultivating a nurturing and inspiring learning environment that will support his/her academic and social skills growth. Partnering with your child and you will help guarantee your child’s academic successes.

I have over 20 years of experience working in the field of education which include developing programs for museums. I earned a Bachelor of Science degree from Tuskegee University, a Master of Education degree from Troy State University, and a Doctor of Education degree from Texas Southern University. I am a certified ESL teacher and hold a GT endorsement. It is one of my goals to inspire your child to outperform his/her personal academic expectations. I believe that your child is capable of doing that.

Please know that you are a valued member of your child’s educational team. I look forward to our communications and working with you to ensure your child’s academic successes. You may email me at Nicole.Gray@houstonisd.org. You may also communicate with me via your child’s TEAMS account.

Regards,

Dr. Nicole Gray
