## ENGLISH II | JOURNALISM | YEARBOOK

---

Greetings Parents/Guardians,

I know this has been an interesting couple of months due to everything happening around us. Trust me, we all are making adjustments to this new way of life! As your child's teacher, I will try my best to make this transition into the new school year run as smoothly as possible. Please allow me to introduce myself! I am Courtney White, a proud graduate of James Madison High School. I've been in education for 18 years, and eight of those years have been spent here at my alma mater.

This year I teach English II(Pre-AP), Journalism and Yearbook. All of these courses involve writing, so be prepared to sharpen those writing skills this year! I am looking forward to an amazing academic year with your students. Please refer to the information I have provided on this sheet to contact me if you have any questions or concerns. I am looking forward to hopefully meeting or speaking to you soon!
