Dear Students and Parents,

I am so excited to work with you this year in English II! My name is Erian Aquil and this is my third year teaching high school English. I earned my Bachelor of Arts in Sociology at the University of Texas at San Antonio and my Master of Arts in Sociology at the University of Houston.

I love working with people and I am eager to get to know each of you very well throughout this school year. Last year, I won New Teacher of the Year! I was so proud and honored to be acknowledged for my hard work at Madison High School.

This year we will work hard and learn an abundance of information. I am here to push my students to be the best they can be and encourage their parents and guardians to help foster this expectation. Everyone can learn and improve when they come with a positive attitude and are given the right tools. I am looking forward to a fun and productive year with all of you! Feel free to contact me at [Erian.Aquil@houstonisd.org](mailto:Erian.Aquil@houstonisd.org).

Sincerely,

Erian Aquil
