Greetings Madison Marlin Scholars,

Welcome to English IV! English IV is a rigorous course focusing on British literature. As upperclassmen, you have earned the credits required and completed all prerequisites in order to be eligible for this course. Congratulations on taking another step towards graduation.

I am Tiffini Hallman your instructor for the 2020-2021 school year. This is my sixth year in Education and my second year at James Madison High School. I have a B.A in Psychology from Spelman College and a M.A in Therapy and Counseling. I am elated and honored to have been chosen as your teacher. I am here to help promote your growth as a student, young adult, future leader, and citizen. Success is possible in this course, and while I will do my part to help you achieve that success, it is dependent on your motivation, effort, and responsibility. We are a team. You are the star players. I will serve as your coach. Parents, you are the support. Despite these challenging times, together we can and will get through this with integrity, resilience and commitment.

Respectfully,

Tiffini Hallman
