Reminders:

- We have completed three grading cycles; there are three more remaining in this school year. Encourage your child to do his or her best to keep grades up.
- Attendance is very important. Children should report to school after appointments. Remember, attendance equals money, and we want to be able to provide incentives and special activities for the good work that they do.
- Finally, tutorials is an important level of support that we provide to your child at no cost. Please assist us with making sure your child is present for his or her intervention sessions every day. Please review your child's schedule and plan accordingly.

David Knittle, Principal
