PREPARATION FOR IN-PERSON INSTRUCTION
KEY DATES

On Monday, October 19, 2020, face-to-face instruction for students will begin.
Scheduled to begin on Monday, October 19th

Students will follow their daily schedule, including all courses selected and/or assigned, as well as extracurricular activities, if applicable

Hours for in-person learning: 7:30 a.m. – 3:00 p.m.
SAFETY MEASURES FOR FACE-TO-FACE INSTRUCTION

- Physical distancing will be practiced in the classroom, hallways, common areas and throughout the building inside and out.
- Daily deep cleaning will occur throughout the campus with an emphasis on high touch surfaces.
- Temperature checks will be conducted daily for everyone on campus (faculty, staff, students).
- If COVID-19 cases are identified, campus will be closed/sanitized. Notifications will be provided to impacted parents and students if possibly exposed. Instruction will shift to virtual learning if the school closes.
- Students, staff, and anyone on campus will be required to wear masks at all times which will be provided daily.
- Appointments must be made in order to visit campus.
WHAT WILL SCHOOL LOOK LIKE?
Certified teachers will continue to provide instruction to students virtually.

Students can interact with their teachers during short live lessons and ask questions/receive feedback from teachers during virtual office hours.

During virtual instruction, students will maintain a similar schedule as they would during face-to-face instruction.

Principals will work with area offices to review space and numbers needed based on survey results to determine number of virtual teachers needed and where they will teach from.

Students attending face-to-face will need to take iPads/Chromebooks home each day in the event they need to switch to virtual instruction.
Before buildings reopen, employees, students and community members will be notified about and trained on new safety and screening protocols.

New protocols include requiring all HISD employees, students and visitors to undergo entry screenings, wear face coverings, wash hands regularly, and practice social distancing.

The district will provide enough hand soap, paper towels, tissues, hand sanitizer and disinfectant to accommodate frequent cleaning of high-touch areas.
Campuses must establish isolation areas for students and adults who are flagged during entry screening.

Classrooms will be reconfigured to ensure social distancing, with student-teacher ratios capped at one teacher for every 15 students.
• Breakfast and lunch will be served in the classroom.
