Houston ISD is allowing families to choose the method of learning each six weeks for students during the 2020-2021 school year. Students can either attend classes in-person on campus, or remotely online. A device and reliable internet must be available for remote online learning. Your selection indicates the commitment to this method of learning for the entire six weeks.

Please enter your selection for Avery Nixon for the second six weeks (October 19, 2020 – December 4, 2020) below.
