# OUR PROGRAM

Young Women's College Preparatory Academy prepares students in grades 6 - 12 for higher education and life with rigorous leadership, critical thinking, and decision making skills. With a focus on Pre AP and Advanced Placement courses and exposure to the demands of college and career, students have a strong foundation for future success.

The magnet program focuses on College Readiness and S.T.E.A.M. (Science, Technology, Engineering, Art, and Math). All core curriculum classes at the school are either Pre Advanced or Advanced Placement. All high school students are required to pursue the Distinguished Graduation track.

2022 AP CSP  
Female Diversity Award

## Club & Organizations

*YWCPA offers a wide range of extracurricular clubs and activities in academics, services publications and the visual and performing arts. YWCPA's students also excel in the competitions such as Debate, Vex Robotics, UIL academics, engineering, and math. There is something for everyone at YWCPA.*

## Technology

*The curriculum at YWCPA is enhanced by access to the latest technology and experienced, AP-training teachers, the majority of whom hold advanced degrees. Every student receives a laptop during the school year.*
