## HOUSTON INDEPENDENT SCHOOL DISTRICT

Dear Harris County Resident and Houston ISD Family:

Thanks to the CARES Act, Harris County Project 10 Million, and a partnership with Comcast, we are thrilled to offer you a six-month sponsorship for Internet Essentials. **This sponsorship will give you and your family access to internet at home at no cost to you through the remainder of the school year**, with the opportunity to continue receiving service for a low monthly fee once the sponsorship ends.

### Internet Essentials Features

- High-Speed Internet service (25/3 Mbps)
- Six (6) months free internet (after the free period, you will have the option to continue service for \$9.95 per month)
- No term contracts, No credit check
- Free self-install kit

**You must complete your full application by February 26, 2021, to qualify for this special offer.**

### Steps to apply for free internet service:

1. Go to <http://bit.ly/3cuQSQX> to complete your HISD Interest Form
2. If approved, promotional codes will be sent to the email address submitted on the Interest Form
3. Log on to [www.internetessentials.com](http://www.internetessentials.com) from your computer or mobile device
4. Click Apply Now
5. Complete the online application and enter the promotional code
6. If you have any questions, please visit [www.internetessentials.com/get-help](http://www.internetessentials.com/get-help) for answers
7. Applying online is recommended, but if you cannot apply via computer or mobile device, you can call the Internet Essentials Partnership Program support team at 844-063-0178 to complete your application.

### What if I already have Comcast Internet Essentials?

If you already are a subscriber of the Comcast Internet Essentials and would like to have your service paid for the free period, please call 844-963-0178. Make sure you received your access code before you call. This offer only applies to customers who are currently Internet Essentials customers; if you have other Comcast services, you may not qualify.

### What if my student has an HISD hotspot?

The student should keep the hotspot in their possession for mobile internet use.
