

Advanced Academics @ Westside High School

Westside prides itself on offering many Pre-AP, AP, Honors and Dual Credit courses. Students are encouraged to challenge themselves and to strive for strong academic instruction. The freshman year is an exciting year, but it is also a year of transitioning from middle school into high school.

When considering Pre-AP and AP courses, incoming freshmen need to think about which subjects are their strongest. Pre-AP and AP courses move at a fast pace and require considerable independent work and strong time management/organizational skills. Five Advanced Academics Courses are offered at a freshman level, a student can take 1 or up to 4.

English	Math	Science	Social Studies
Pre-AP English 1	Pre-AP Algebra 1	Pre-AP Biology	Pre-AP World Geography
