This Month We Celebrate

Health Science / Agriculture, Food/Natural Resources / Energy

Teacher of the Month

ATTN: High School Principals & CTE Administrators! Do you have a CTE teacher who promotes high student engagement, hands-on activities, or other reasons why the CTE teacher should be nominated as CTE teacher of the month? If so, please submit your nomination using the following link:

[Click here to submit your CTE Teacher of the Month.]

TDL Cluster

We want to remind you about the many scholarships available to high school seniors and college students. These are funded by industry partners to support our future workforce, so please encourage your students to take advantage of them. Many do not have a minimum GPA requirement, so all students interested in continuing their studies should apply!
