Teaching Soft Skills in Any Classroom: Tips and Ideas for Student Engagement

Dec 7, 2022, 11:00 AM

Skills like communication and teamwork were in-demand before the pandemic; in today's post-COVID world, these skills are even more desirable. Join us for a free presentation to review up-to-date research on the importance of soft skills in any career and get simple ideas for incorporating soft skills into any classroom.

Attendees will:

- Explore the importance of soft skills in any career
- Learn the top soft skills employees need to succeed in a post-pandemic workforce
- Get ideas for incorporating soft skills practice into any class
- Review Realityworks' soft skills training tools, including online and paper-based programs

The Power of 1:1 Student Mental Health Coaching: Improve Student Well-Being, Engagement, and Success

Thursday, December 8, 2022 @ 2:00 pm - 3:00 pm EST

Attend this edWebinar to learn:

- The importance of pairing high-frequency 1:1 non-academic coaching with short, digestible pieces of skill-building resilience content to drive reengagement and academic gains
- The need to equip students with the tools for self-regulation, motivation, and resilience as a precursor to being ready to learn and thrive in the classroom
- The critical impact of 1:1 support for accountability and to help students to apply key learnings to their own lives to reach their goals
- Creative solutions to address critical barriers to learning with solutions that are affordable, scalable, and most importantly, proven to improve wellbeing and outcomes
