SUMMER PROFESSIONAL DEVELOPMENT

ATTN: CTE Teachers!

Are you interested or would like to lead a professional development session this summer?
If you want to take lead facilitating and help other CTE teachers either reflect on best practices, pedagogical approaches, work through instruction-related struggles, or simply foster CTE teacher-to-teacher professional learning, please let us know. At this time, all sessions must be held virtually.
Click here to complete the Summer 2021 CTE Teacher-Led PD Request Form.

If you are inquiring about any virtual professional development associated with costs, your request must be submitted for review and approval. Please submit requests ahead of time. You will then be notified by email, within 3 business days stating whether your summer professional development request has been approved or not. Please note that this is for virtual professional development requests only.

CTE Instructors,

We have some great news for teachers who facilitate industry-based certification exams through Certiport! These exams include ACA, AutoDesk, MOS, ESB, and QuickBooks, among others.

To accommodate the large number of students who are learning remotely this year, **Certiport exams will now be proctored online.** The online test, referred to as Exams from Home (EFH) will be the method of exam delivery for ALL students taking Certiport tests – those students who are at home and those who are at school for in-person learning.

CERTIPORT®

Click <u>HERE</u> for a list of exams offered from Certiport via Exams form Home.

Here is an excellent resource for teachers who are offering Certiport exams. The page provides an introduction and FAQ about Exams from Home. Click <u>HERE</u> to view this resource.

Steps for administering an Exam from Home certification test:

- Log into Certiport by clicking <u>here</u> using the login credentials you were provided. If you need any help locating your credentials or to obtain a Certiport site license for your campus, please do not hesitate to email Mrs. Maria Flores at <u>MFLORE48@HoustonISD.org</u>.

- Once logged in, at the top of the screen, under the Welcome message, select *Proctor* as your role.

A PEARSON VUE BUSINESS

HOME PAGE   SCHEDULE EXAMS

Scroll down to the bottom of this page to schedule your tests. You will be presented with several options for registering your students to take an exam. The blocks for scheduling are broken up by type of test: (Any test except AutoDesk or AutoDesk) and the number of test-taking students: (1-5 or 6-10). Exams with accommodations are limited to 1-2 students per test administration.

- Click *See Times* on the appropriate block.
- Select a date/time you want to proctor the exam.
- Enter your details on the next screen.
- Click *Book.*
- Expect to receive email approval with testing links to disseminate to your students within two business days.

We anticipate the testing date reservations to fill up; so, schedule your exams as soon as possible.

Additional important considerations:

- Exams from Home can be taken on a desktop, laptop, Mac, or Chromebook. (Student PowerUP devices qualify).

- This **document** contains important customer service information from Certiport.

Texas Career & Technical Education (CTE) News

2022 Industry-Based Certifications for Public School Accountability Submission Extension March 22-29, 2021

The Texas Education Agency (TEA) accepted recommendations for Industry Based Certifications (IBC) to be considered for the **2022 List of Industry Based Certifications for School Accountability** from December 1, 2020 through January 15, 2021. Please see the list of IBCs that were submitted during that application period at this link: [Submitted Industry Based Certifications (IBC) for consideration for the 2022 IBC List for School Accountability](#).

The TEA will accept submissions of additional recommendations for industry-based certifications for inclusion in the ==2022 Industry Based Certifications List for School Accountability== from stakeholders from ==March 22 - 29, 2021==.

Applicants should review the industry-based certifications found on the list linked above. Any certification currently on the list does not need to be resubmitted through this process. 2019-2020 Approved Industry-Based Certifications for Public School Accountability are included in the list.

All required fields on the application must be completed. Incomplete or inaccurate information will not be evaluated or considered. The certifying entity should be contacted for current, complete, and accurate information.

Verify you are submitting the full and accurate name of the certification as it appears on the certification website; do not submit an acronym as the certification name.

Use this link beginning Monday, March 22, 2021, to submit an IBC for evaluation:

[2022 IBC For Public School Accountability Submission Application](#)

IBC Reimbursement Clarification

Approved certifying entities that appear in the Industry-Based Approved Vendor Crosswalk with a C226 code may be federal/state organizations affiliated with multiple local chapters/affiliations. These local chapters/affiliations are approved vendors due to their organization affiliation with the main organization. When an IBC is obtained from the local chapter/affiliation, districts can report the C226 code for the main federal/state organization in PEIMS.

An example scenario follows:

The Independent Electrical Contractors Texas (C226 code: 300) is a state certifying entity with multiple affiliated local certifying entities. All the local chapters of the Independent Electrical Contractors of Texas who are affiliated with the Independent Electrical Contractor of Texas will use the C226 code noted above. A list of these local chapters and information on the Electrical Apprenticeship Certification can be found on the Industry-Based Certifications High Schools Program tab on the Independent Electrical Contractors Texas website.

For specific questions, please contact cte@tea.texas.com
