[Westside High School Showcase](#)

How fortunate to live in a district that offers so many instructional choices for our students through School Choice. Heading into high school provides you with another opportunity to choose which school is best for your student. Westside High School is excited to bring you our [Showcase Website](#) which shares with you all that Westside has to offer! At Westside, we pride ourselves on individualized instruction with a wide array of programming for your student. Our highly regarded Magnet programs with fascinating Career Pathways, the large variety of fine arts opportunities, leadership programs, competitive athletics and a diverse group of clubs will provide your student with a high school experience preparing them for their future while leaving them filled with incredible memories!

Check out our [Showcase Website](#) now and through the weekend. Then, join us the evening of Tuesday, February 9th for our LIVE Event! You'll be able to visit with our administration, talk with our deans, instructors, and coaches by clicking on the LIVE links in the website

We are looking forward to you seeing you next Tuesday!
