Wil Smith

Wraparound Resource Specialist

Westside High School

My role as Wraparound Specialist is to advocate tirelessly for every student on the Westside High campus. Wraparound Services is a holistic initiative that provides support and services to students as well as families. Fundamentally, we provide referrals and other useful services to help address basic needs such as clothes, transportation, and food. Additionally, we also assist in the critical areas of behavioral health and homelessness.

Our goal is to remove the barriers that often prevent students from flourishing academically. If you have any questions about Wraparound Services, please feel free to reach out to me at any time.

Additional Services Offered:

- Labor Market Information
- Career Coaching
- Resume Building & Evaluation
- Online Interviews
- Skill Assessments
- Dale Carnegie Training for Students
