My purpose and goal is to help create an environment where students, parents, and teachers are linked to non-academic services. Providing resources which focus on the student's critical needs in their lives that could hinder their academic success. I am excited to join Kennedy Elementary as a Wraparound Specialist. I am here to serve and provide support to our students, parents, teachers, and staff.

Student Assistance Forms (SAFs) can be submitted by scanning the QR code, or by visiting the link below. SAFs can be submitted for any student enrolled at a campus with a wraparound program. If you know of a student or family in need of resources, please submit a SAF.
